

**Contract Number:** GS-00F-0032M

**Contract Period:** February 1, 2002 through January 31, 2022

Michael Baker's GSA Information Technology (IT) SIN offers Federal agencies a variety of IT services; **However; under the Professional Services Schedule, SIN C132-51/RC may only be used in an ancillary function to the other SINs on the PSS. In other words, SIN C132-51/RC cannot be used under the PSS on a stand-alone basis, that is for an order that is entirely SIN C132-51/RC.**

**Note: The RC after any SIN means that it may be used for GSA's Disaster Recovery Program where appropriate.**

### SIN C132-51/RC – Information Technology (IT) Services

Time and material (T&M) or firm fixed price (FFP) orders for IT services ancillary to the other SINs on Michael Baker's PSS can be placed directly with Michael Baker by using approved labor categories and ceiling rates. Discounted rates may be offered on individual task orders or under Blanket Purchase Agreements (BPAs). The IT Schedule can be used by federal agencies and authorized organizations for domestic and overseas initiatives.

SIN C132-51/RC includes resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other services relevant to 29CFR541.400.
